

Who we are

LINK Mobility GmbH in Hamburg is the German branch of the LINK Mobility Group with more than 18 locations and 500+ employees throughout Europe. We are the leading European provider of mobile communications and one of the main drivers behind the development of Conversations, an innovative and novel way of communicating between companies and customers. Our international customers use the scalable services and solutions we offer, to simplify and improve their communication processes along the entire value chain. We develop our software 100 percent in-house, always taking into account the needs of our customers such as PayPal, MAERSK, Deutsche Post, Merck and ING.

We are looking for a dedicated

Your mission

- Based on your team's priorities and expertise you are responsible for your own tasks.
- Automation is your passion.
- You collaborate within cross-functional teams doing both: learning from others and sharing knowledge.

What we expect from you

- Good English and German skills
- Mindset for automation
- Basic Linux knowledge
- Experience in Java or other object-oriented programming languages
- Basic knowledge in Puppet or other deployment framework/infrastructure as code
- Willingness to learn new technologies and adopt new tools
- Strong analytical and problem-solving skills
- Basic knowledge when it comes to infrastructure, virtual machines, networks and hardware

Your playground

- JVM, Docker, Spring Boot, Micronaut, Kafka, Elasticsearch, Networks, Scripting, Puppet and Linux. Anything missing? We are always open to new ideas!

How we work

Our Hamburg team of about 30 employees works in a modern office, equipped with the latest technologies and a beautiful view of the Elbphilharmonie. If you are looking for a place where your opinion matters, your voice will be heard, and you have the chance to work on topics that are important to you, you've found the one. We hold our values of transparency, freedom, trust and openness high. Our prime directive says that we always believe that everyone has done their best, given their resources, knowledge and individual abilities. Here at LINK there is no place for either a classical department structure nor hierarchies. Our LINK Identity is defined by our agile work environment and our completely self-organized teams. Our dailies, groomings, plannings and retrospectives allow us a constant exchange within our teams.
