

Who we are:

LINK Mobility GmbH in Hamburg is the German branch of the LINK Mobility Group with more than 18 locations and 500+ employees throughout Europe. We are the leading European provider of mobile communications and one of the main drivers behind the development of Conversations, an innovative and novel way of communicating between companies and customers. Our international customers use the scalable services and solutions we offer, to simplify and improve their communication processes along the entire value chain. We develop our software 100 percent in-house, always taking into account the needs of our customers such as PayPal, MAERSK, Deutsche Post, Merck and ING.

We are looking for a passionate

DevOps Engineer (m/w/d)

Your mission

- € Based on your team's priorities and expertise you are responsible for your own tasks.
- € Automation is your passion.
- € You collaborate within cross-functional teams doing both: learning from others and sharing knowledge.

What we expect from you

- € Advanced Linux knowledge
- € Mindset for automation
- € Profound knowledge of infrastructure, virtual machines, networks and hardware
- € Basic skills in scripting languages and the passion to enhance your skills
- € Basic knowledge in Puppet or other deployment framework/ infrastructure as code
- € Some experience in coordinating external service providers
- € Passion to learn new technologies and adopt new tools
- € Strong analytical and problem-solving skills
- € Good English and German skills

Your playground

- € Citrix Xen, CentOS, Puppet, Networks and Juniper Network devices, EMC and Synology Storage Systems, Elasticsearch, Scripting, Icinga and Docker Swarm. Anything missing? We are always open to new ideas!

How we work

Our Hamburg team of about 30 employees works in a modern office, equipped with the latest technologies and a beautiful view of the Elbphilharmonie. If you are looking for a place where your opinion matters, your voice will be heard, and you have the chance to work on topics that are important to you, you've found the one. We hold our values of transparency, freedom, trust and openness high. Our prime directive says that we always believe that everyone has done their best, given their resources, knowledge and individual abilities. Here at LINK there is no place for either a classical department structure nor hierarchies. Our LINK Identity is defined by our agile work environment and our completely self-organized teams. Our dailies, groomings, plannings and retrospectives allow us a constant exchange within our teams.
